

## Common Spelling Mistakes

Some of these words are regularly wrong on the internet. Do you know which is correct? If you are feeling competitive you could give yourselves one minute for each set. One person to read one set out at a time and then the others to write down the correct spelling. If you prefer to go it alone underline the correct ones in the set you select.

### Set one

AKOMODACHUN is spelled:	accomodation, acomodation, accommodation
